Make an Arrowhead Quilt with Jackie Syer

Saturday April 23, 2022 – 9:30 am to 4:00 pm.
Neilson Park Creative Centre, 56 Neilson Drive, Etobicoke.

Fees:

- \$55 guild members
- \$65 for non-guild members

Jackie Syer is a quilter extraordinaire who teaches quilting all over southern Ontario. We are so fortunate to FINALLY have her with us for a full day workshop, as she guides us in constructing a quilt using the arrowhead design. (She was going to do this workshop for us in spring 2020, before the world changed, so we've been waiting two years for this event!)

Come and benefit from her expert guidance in creating this charming quilt, using a cake plate (or 40 - 10 inch by 10 inch squares) and 3 m of background fabric, plus .75 m of binding and backing of your choice. (A cake plate makes 80 blocks!) In the sample pictured above, Jackie also used two charm packs to make the added border.
